MEMORANDUM FOR: Assistant Director, Current Intelligence

SUBJECT : Preliminary Comment on Mission (3231)
Flown on 11 October 1963

1. This mission was flown over North Vietnam and northern Laos and is the first coverage of this area since [REDACTED] No significant new items of intelligence were disclosed and no significant changes in targets previously covered were noted.

2. This mission, unlike some of those flown in [REDACTED] did not cover adjacent areas of China where considerable road construction and extensive barracks areas were disclosed. Therefore, this mission permits no comparative analysis of developments in that part of China.
